

# Counselor's Corner

## SENIORS

Many of the financial award letters can be hard to decipher. Use the "Calculators" function on the following website to help!  
www.educationquest.org

## 2009-2010 SCHEDULING

All grade levels will complete the scheduling process during this month. The students will not only pick out classes for the next school year, they will also work on a Personal Learning Plan which will help them map out their future courses in order to get the educational background needed for after high school. In addition, students will also look at resume building and career information. Please watch for this information!

## SUMMER OPPORTUNITIES

Workshops, camps, college-experiences are all available through a variety of programs offered through different universities and programs. Many of them specialize in certain academic areas; others are for gifted students. If you are interested in any of these programs, contact the guidance office for more information.

## ACT

The next ACT test will be held on June 13. The registration deadline is May 8, 2009  
Register at [www.act.org](http://www.act.org)

## YOUTH ENERGY CAMP

The Nebraska Rural Electric Association's Youth Energy Camp will run July 13-17. Freshmen through juniors are eligible to attend this camp. Through interesting workshops, fascinating demonstrations and presentations by regional experts addressing the many issues affecting the rural electric program, students will leave the camp far more knowledgeable than when they first arrive. Stop by the guidance office for more information.

## JUNIOR/SENIOR ATHLETES

Any athlete interested in playing Division I or II athletics needs to fill out a NCAA Initial Eligibility Clearinghouse form. A link to this website can be found on the Guidance Page of the school's website. Once the on-line form has been completed, please print out the forms that the school needs to complete. The registration process is not completed until all of the forms by you and by the school have been completed.

## DRIVERS EDUCATION

Driver's Education will begin on May 26th and end on June 5th. Classes will run from 8:30 -11:15am. The required driving hours will be set up after the classroom instruction is completed. To sign up for this class, please stop by the counselor's office.
